ECE Foundations: Blended Options

Library Research Activity

**Learning Objectives:**

Recognize the importance of professional development.

Define key components of each early childhood curriculum model.

**Activity Description:**

This activity is to help you hone your research skills and familiarize yourself with the valuable resources available through WCTC Library. The activity is twofold; this research will also apply to your Curriculum Model Paper and Presentation.

Try your best and ask questions if you need help. Find the answers to the following questions:

1. **Use the Library Catalog (Books and eBooks) to find a book on your Curriculum Model.**
   
   What search terms did you use?

   Title of the book:

   Author of the book:

   Location (what collection) of the book:
Call number & subjects:

Are there any other books in the Library with one of the same subjects?

If yes, list one of the titles:

2. **Use EBSCO Discovery Service to find 2 articles relating to your Curriculum Model.**

   **Scholarly Article #1:**
   
   What search terms did you use?

   Title of article:

   Author:

   Source (publication name):

   What are the subjects for the article you found?

   **Scholarly Article #2:**

   What search terms did you use?

   Title of article:

   Author:

   Source (publication name):

   What are the subjects for the article you found?
