Electronic Resources available 24/7

These databases provide full-text articles from thousands of magazines and journals and can be accessed on campus (Library Resources icon on desktop) or remotely from Blackboard https://wctc.blackboard.com and the library web page at: www.wctc.edu/library.

Chronicle Career Library of Occupational Briefs: Information on more than 2,000 occupations.

Chronicle of Higher Education: News, information, and jobs for college and university faculty members and administrators.

Country Watch: Country specific information covering demographic, political, economic, business, cultural, and environmental areas.

EBSCO:
Ebsco Discovery Service: Access to most of WCTC Library’s information resources through a single search box. Search results will include print books, electronic books, magazine and journal articles, newspaper articles and streaming video – all in one results list.
Academic Search Complete: Comprehensive scholarly, multi-disciplinary full-text database.
Alt HealthWatch, CINAHL with Full-Text, Health Source, Nursing/Academic Edition: Scholarly nursing, allied health & medical journals, including coverage of holistic medicine. Includes Lexi-PALS Drug Guides.
Associate Programs Source Plus: Coverage of many program areas offered at WCTC including CAD, cosmetology, technology, graphic arts, criminal justice, and robotics.
Auto Repair Reference Center: Comprehensive guide to vehicle ownership and maintenance.
Education Research Complete & ERIC: Educational documents and journal articles on all levels of education and education specialties.
GreenFILE: Scholarly, government and general-interest articles on the environment.
Military & Government Collection: Articles related to all branches of the military and government.
Professional Development Collection: For professional educators, includes education journals.
PsycARTICLES: Scholarly psychology articles, including those published by APA.
Other EBSCO databases include: MasterFile Premier, Science and World History Image and Video Collections.

Facts On File/Infobase Learning:
Issues and Controversies: Covers 800+ “hot” topics or social issues.
Today’s Science: Latest discoveries in science, technology, medicine, and the environment.
World News Digest: Major news stories over seven decades from newspapers, magazines, and more.

Films On Demand: Streaming video covering topics in social sciences, business & economics, health & medicine, science & math, technical education, consumer science, careers & jobs, and counseling.
Gale/Cengage Learning:

Business Insights: Essentials: Detailed company profiles, brand information, rankings, company histories, detailed company and industry news, and more.

Demographics Now: Consumer and market data analysis information. Provides data from CEX, Mosaic, US Census and more. Reports can be generated to provide analysis and compare/contrast.

Health Reference Center Academic: Articles covering nursing and allied health.

Opposing Viewpoints Resource Center: Overviews, magazine, journal and newspaper articles, statistics, images and podcasts, and links to websites for hot topics and social issues.

Global Trade Atlas: Merchandise export and import trade data of each reporting country from the Harmonized Code. Data is supplied by each reporting country and is broken down by region or state, mode of transport, port or customs district, or re-exports and domestic exports.

Learning Express Library: Interactive database of practice tests and tutorial courses. Includes certification, licensing, college entrance, TOEFL, and U.S. citizenship exams, as well as information on business writing, resumes and job interviews. Provides computer training with Adobe, Microsoft, and Windows courses.

LexisNexis Academic: Access to over 10,000 newspapers, wire services, broadcast transcripts, and international news. Detailed company information and financial performance measures, and option to identify and compare companies. Provides access to federal and states court cases back to 1789.

NewsBank:

Access World News: Local (Wisconsin), regional, U.S and international newspapers, with full-text content. Coverage of local and regional news includes companies, politics, sports, industries, culture and people.

Ovid Nursing: Full text scholarly nursing and allied health articles from 54 journals. Includes the journals American Journal of Nursing, Computers in Nursing, Nursing Case Management, Nursing Made Incredibly Easy, and Nursing Research.

ProQuest:

ABI/Inform Trade & Industry: Trade journal articles on industry news, marketing trends, and product and competitive information.

Criminal Justice Periodicals: U.S. and international journal articles for professionals in law enforcement, corrections, drug enforcement, rehabilitation, family law, and industrial security.

SIRS:

SIRS Issues Researcher: Hot topics and social issues.

SIRS Government Reporter: Government documents, court decisions, and agency information.

SIRS Renaissance: Architecture, culture, literature, performing and visual arts and more.

BadgerLink (http://www.badgerlink.net): Project of the Wisconsin Department of Public Instruction (DPI), Division for Libraries, Technology, and Community Learning that provides access to quality online information resources for Wisconsin residents in cooperation with libraries and Internet Service Providers.
